[New Worlds from the Lowlands: Fantasy and Science Fiction of Dutch and Flemish Writers.epub](#)

A comprehensive anthology of contemporary Fantasy and Science Fiction in the Netherlands and Flanders.

It covers the whole field of modern imaginative writing and visionary fiction with up-to-date fairy tales, horror stories, tales of ghosts, weird apparitions, doubles and devils, witches and werewolves, and unadulterated Science Fiction: Tales of Times to Come. Preface by Isaac Asimov.
