Orphaned at a young age, Lelia Assad has spent her life in military service as the leader of the Pussycat Death Squad, personal bodyguards to a ruth dictator. A devout Muslim, she's never been tempted to break her vow of chastity until she encounters the ultimate alpha Marine. Patrick introduces her to passion so hot she has a crisis of faith. Unfortunately, fate intervenes and Lelia is duty bound to return to her country when a coup attempt threatens the life of the man she has vowed to serve.

While there she is betrayed and imprisoned with a death sentence on her head. Patrick will have to use all his cunning and lethal skills to save his love from the clutches of a diabolical dictator.
