Use These Powerful Techniques To Increase Your Reading Speed We all read daily, whether it be a newspaper, a book, emails from friends or colleagues, browsing the web, or papers at work and school. It is a part of our daily lives, yet it is not something we tend to think about, but rather take for granted. Hence it takes so much of our lives, it is surprising therefore that few of us think of it as skill to be improved upon.

So what is becoming a better reader? What does it involve? This is what I will explain in this book. Not only how to become a faster reader, but also how to improve comprehension. Through this book, I will guide you through the process of becoming a speed reader. Not only will you learn how to read faster, but also how to become more efficient, and still understand what you are reading.

I will also help you ditch the bad habits we have all picked up over the years.
