Maddy has always wanted a cat, but now she's got something even better - three small ceramic cats which come to life and give her magical powers! When Maddy becomes friends with Esme, the newest, coolest, most popular girl in her class, she can't believe her luck. She's even been invited to her sleepover! Maddy is thrilled, but what about her best friend, Rachel? And even more importantly, what about the problem that she and Greykin need to solve? They have to stop Esme doing the dares she loves so much, before something terrible happens. Will Maddy risk losing Esme's friendship to do the right thing?
