In an act of desperation, Regina enacts a spell that takes her back to the day Henry leaves for Boston. Regina wants to keep the Savior from ever entering Storybrooke, but when she takes her son's place, she finds herself unprepared for who exactly she encounters. She wants to fight fate but Regina begins to realize she may have to gain some allies if she wants to win. Words: 69,610 Chapters: 15 <https://www.fanfiction.net/s/9240090/...>
