We're all searching for a connection, something to tether us to another. Most of us only get one shot at finding a love that will last a lifetime. For some, it's found in the arms of a lover. For some, it's found in the soul of a friend.

But the ones who are truly lucky find it in both.

Calliope Davies was never taught to love herself, or understand why anyone else would ever love her. The only relationship that ever came easily to her is the one she has with her two best friends. Willem Berg has spent the last six years of his life away from the only woman who has ever been in his heart. Now he's coming home, and he is desperate to save her from a monster and from herself. Together they will discover just how strong you can be when you are tied by fear but bound by love.
